New Testament

2026 marks the 500 year anniversary of William Tyndale's masterpiece, the 1526 English New Testament. It was the first time that the whole New Testament had been translated from Greek into English and published.

From 16–17 September I'll be part of a Bible Society group walking the 26-mile route from Williams Tyndale's statue in central Bristol to the Tyndale Monument in North Nibley, Gloucestershire, passing through the places he lived and worked.

William Tyndale famously said to a priest, "If God spares my life I will cause the boy that driveth the plough to know more of the Scriptures than thou dost."

We're celebrating William Tyndale's motivating belief that the Bible is for everyone and aiming as a group to raise at least £5,000 to invite more people to discover its message for themselves the Bible Society.

If you would like to sponsor me and help me to raise at least £300 for the Bible Society please follow the link below, or I will have a paper sponsorship form with me on Sundays at St Marys.

Thank you for your support. Pam Faulkner

Parish Breakfast September 13th 2026

Many thanks to all those of you who attended the September breakfast, which raised over £80 for Love the One, a charity close to my heart. Below, you'll find a brief summary of the amazing work that Love the One does in Odisha, India.

Giving health care to children in need is not enough in rural India. Love the One seeks to support the whole family and not only help the child to survive but also to thrive and in turn make a difference to her community. The child will need education and nourishing food. To this end, Love the One have set up EPIC centres where a child will be able to learn through play, be given nutritious food, receive regular health checks and any necessary treatment and receive love and care in a safe environment. The figures are shocking: 53% of children in India are the victims of sexual abuse, 60000 children go missing every year, 15 million children are in bonded slavery and 1 in 13 children die before their 5th birthday.

The next breakfast will be held on Sunday 11th October before the Benefice Communion Service at 10.30am. It will be supporting the work of the Bible Society.

Safeguarding Training

Saturday 26th September

All Saints Church, Corston

9.30 – 4.30pm

Safeguarding in the church community is about making our churches safe for children, young people and vulnerable adults and is everyone's responsibility. The Church of England requests that anyone (volunteers and employees) in a role which involves work with children, young people, or vulnerable adults, should undertake safeguarding training.

Although this can be done online many of us feel more comfortable doing this together and as such the Benefice has organised an in-person training day.

A soup lunch will be provided (please let us know of any dietary requirements).

The day will cover both the Basic Awareness and the Foundation Pathway that the Church of England requires for all PCC members and those who volunteer with young people and vulnerable adults. But we would also like to welcome anyone from the churches who would like to know more about how we ensure that our church is welcoming and safe for all to attend.

For more details and to book a place on the day please email Jane George on:
